PROFESSIONAL DESCRIPTION

Cast iron tabletop griddle with lift-up top and ribbed bottom:

- **external structure in stainless steel, with cast iron cooking surfaces ;**
- **self-balancing upper plate with adjustable hardness according to the operator's needs ;**
- **ribbed cooking surface** that allows for better heat transmission and guarantees less heat loss;
- **ready for cooking in just 15 minutes** : once the temperature is reached, the heat is easily maintained for a longer time and, therefore, the machine is always ready;
- supplied with the iron brush for cleaning and the grease collection tray, easy to assemble and clean;
- **thermostatic control from 70°C to 300°C ;**
- lower plate dimensions: 360x230 mm;
- upper plate dimensions: mm 340x215.
