PROFESSIONAL DESCRIPTION

WALL FRIDGE DISPLAY for SALAMI and CHEESE, VULCANO line, 60 cm DEEP, 1955 mm LONG, available WITH and WITHOUT REFRIGERATION UNIT, in standard RAL colours, TECNODOM brand :

- PLUG-IN vertical refrigerated display unit, compact, suitable for the display and storage of fresh and pre-packaged products;
- **ecological , reliable , hygienic , suitable for all sales surfaces ;**
- designed with particular attention to **ease of installation** and **optimisation of the cleaning system** , guaranteed by easy access to the internal parts;
- the products on display are always kept at **an ideal temperature** , thanks to the flow of refrigerated air and a well-sized refrigeration system;
- VULCANO is a product with **low energy consumption** and **low environmental impact** : the tub is made without the use of CFCs;
- **made of sheet metal painted in standard RAL colours ;**
- **compact but with a large exhibition area: 2.94 m² ;**
- suitable for small, medium and large distribution;
- all phases, from design to production, have been taken care of in detail: **technology and design Made in Italy ;**
- possibility of customization on request;
- **ventilated refrigeration ;**
- **operating temperature +3°/+5°C ;**
- climate class: 3 (ambient temperature +25°C, relative humidity 60%);
- **thermoformed and insulated shoulders (40 mm thick each), with tempered glass sides ;**
- **electronic control panel ;**
- **defrosting at standstill ;**
- **top neon lighting ;**

- absorbed power lights n°xKw: 1x58;
- manual self-rolling night awning;
- **4 shelves in non-toxic white post-painted sheet metal** or in **stainless steel** (for stainless steel version), **adjustable in height** , equipped with price holders, without lighting, without product retaining grids;

◦ **AVAILABLE VERSIONS:**

1. **set-up with finish in standard RAL colours** : blue, green, orange, yellow, red, black and white;
2. **stainless steel finish trim** (Optional);
3. **version with built-in refrigeration unit** (equipped with a condensation water recovery and evaporation system, via a stainless steel coil);
4. **version with provision for remote refrigeration unit** ;
 - R404A/R507 valve both in the version with and without refrigeration unit;
 - **available in 7 different RAL colours to be specified when ordering** : **Blue** (RAL 5013), **Green** (RAL 6026), **Orange** (RAL 2008), **Yellow** (RAL 1018), **Red** (RAL 3020), **Black** (RAL 9005), **White** (RAL 9010).
