PROFESSIONAL DESCRIPTION

WALL FRIDGE DISPLAY UNIT for FRUIT and VEGETABLES, VULCANO 80 line, 764 mm DEEP, 1330 mm LONG, available WITH and WITHOUT REFRIGERATION UNIT, in standard RAL colours, TECNODOM brand :

- PLUG-IN vertical refrigerated display unit, compact, suitable for the display and storage of fresh and pre-packaged products;
- **ecological , reliable , hygienic , suitable for all sales surfaces ;**
- designed with particular attention to **ease of installation** and **optimisation of the cleaning system** , guaranteed by easy access to the internal parts;
- the products on display are always kept at an **ideal temperature** , thanks to the refrigerated air flow and a well-sized refrigeration system;
- VULCANO is a product with **low energy consumption** and **low environmental impact** : the tub is made without the use of CFCs;
- **made of sheet metal painted in standard RAL colours ;**
- compact but with a large exhibition area: 2.10 m²;
- suitable for small, medium and large distribution;
- all phases, from design to production, have been taken care of in detail: **technology and design Made in Italy ;**
- possibility of customization on request;
- **ventilated refrigeration;**
- **operating temperature +6°/+8°C ;**
- climate class: 3 (ambient temperature +25°C, relative humidity 60%);
- **thermoformed and insulated shoulders** (40 mm thick each), with **tempered glass sides ;**
- **electronic control panel ;**
- **defrost at standstill ;**
- **top neon lighting ;**

- absorbed power lights n°xKw: 1x18;
 - **manual self-rolling night awning** ;
 - **3 inclined shelves in non-toxic white post-painted sheet metal or in stainless steel** (for stainless steel version), equipped with price holders, without lighting, without product retaining grids and an upper mirror;
- **AVAILABLE VERSIONS :**
1. **set-up with finish in standard RAL colours** : blue, green, orange, yellow, red, black and white;
 2. **stainless steel finish trim** (Optional);
 3. **version with built-in refrigeration unit** (equipped with a condensation water recovery and evaporation system, via a stainless steel coil);
 4. **version with provision for remote refrigeration unit** ;
- R404A/R507 valve both in the version with and without refrigeration unit;
 - **available in 7 different RAL colours to be specified when ordering** : **Blue** (RAL 5013), **Green** (RAL 6026), **Orange** (RAL 2008), **Yellow** (RAL 1018), **Red** (RAL 3020), **Black** (RAL 9005), **White** (RAL 9010).
