height (mm)	470

PROFESSIONAL DESCRIPTION

BLENDER, HAMILTON BEACH, with 1.4 litre polycarbonate jug , HIGH PERFORMANCE and QUIET BLEND versions :

- **professional blender ideal for producing more than 75 cocktails a day ;**
- equipped with a **soundproof bell with sensor to eliminate annoying noises** during cocktail making (Quiet Blend version);
- **1.4 litre stackable graduated transparent polycarbonate glass ;**
- **overheating protection** , a specific message appears on the display and the rapid cooling function is activated;
- **silent protection function** : the motor stops automatically when the lid is opened;
- **container sensor** : stops the motor when the container is not correctly positioned, reducing wear due to incorrect use;
- **super-creamy Drink Profile** : the Wave action system, thanks to the speed and design of the blades, reduces the ice from granita to creamy drink;
- equipped with **stainless steel blades** and **Wave Action system** that **guarantees a continuous and constant mix** , for lump-free, perfectly blended drinks;
- the **Wave Action system continuously pushes the mixture down towards the blades** for better homogeneity, unlike normal blenders that push the ingredients against the sides of the container leaving some parts intact away from the blades;
- ideal for whole ice cubes;
- **touchpad controls with 5 programmable buttons ;**
- **cycle programming via memory card ;**
- **it has a 3 HP engine ;**
- **Sure Grip non-slip rubber feet** , which help keep the blender firmly on your counter;
- suitable for all bars, yoghurt shops, ice cream parlors that want to integrate the production of their businesses, offering customers the opportunity to enjoy an exotic cocktail, a homemade granita or an iced milkshake.
