PROFESSIONAL DESCRIPTION

UGOLINI - TABLE TOP GRANIT MACHINE with 1 TANK of 2.8 lt, for the production of granitas, sorbets, cold creams, ICON Line:

The brand new **ICON** with an eclectic character and elegant style is designed to accommodate your graphics in a natural and harmonious way, thus creating a **unique product** that will get noticed, giving even more strength to your brand and your business. In the version with Recover, the ICON can be enriched with a graphic panel that will make the container partially "no-visual". The unique and modern style combined with its **extremely small dimensions** make it possible to insert it in any environment. Excellent for preparing cold creams, sorbets and granitas, it is designed with a **2.8 litre container** that allows you to **manage small quantities of product, avoiding unnecessary waste.**

- **Copolyester tank** (BPA - Free), with a capacity of **2.8 litres**
- **Painted steel** body
- Hermetic compressor
- Air-cooled condenser
- **Electronic Temperature Control**
- Recovery Energy System, for **energy saving and anti-condensation**
- Engine saver
- Air filter
- Noise level less than 70 dB (A)
- **Removable transparent containers**
- Ecological **Gas R134a**

◦ Available voltages: 230V 50Hz | 115V 60Hz | 208-220V 60Hz | 100V 50/60Hz

Optional:

- Graphics for non-visual version (quote on request)
- Advertising Palette
- In Black Color On Request
