PROFESSIONAL DESCRIPTION

Hot drinks dispenser working with water-soluble products (freeze-dried) with two selections :

- **working automatically with soluble freeze-dried products** in hot water, such as barley, ginseng coffee, herbal teas, chocolate and others;
- Designed in an innovative way, **it takes up little space and attracts attention** wherever it is.
- **It can be equipped with a series of optional extras** that will give the look that best suits individual needs, creating an aesthetic that will make him the protagonist.
- **INSTANT is presented with a basic set-up** that can be **enriched with decals, or with backlit images and details** for an even more effective reminder.
- **equipped with 2 1000 cc containers ;**
- **Plexiglass tank capacity 4.5 litres ;**
- **Display with clear and complete operating instructions** and **capacitive keys**
- **Electronic control system for soluble and water dosage** for use in small or large cups
- **Maximum hygiene** guaranteed by the **ease of dismantling** the components subject to cleaning and the use of materials suitable for contact with food
- **Rinse cycle for washing mixers**
- Noise level **less than 70dB (A)**

- **OPTIONAL:**
- Management via smart card
