Services and Technologies for professional catering since 1973

PROFESSIONAL DESCRIPTION

RECTANGULAR PIZZA PEEL in ALUMINUM, AZURRA line, light, flexible and resistant, complete range :

- **Shovel with neutral anodized aluminum head** and **light blue anodized handle** .
- **It has a reduced weight** compared to classic models but is **extremely robust with an oval tubular handle to promote stability** .
- **The light and flexible head allows the spatula effect** with special ribs that ensure the seal; **neutral anodizing makes the surface uniform** and protects it from oxidation; **the gentle and regular milling facilitates the rising of the pizza** .
- The handle-head junction is made up of the overlapping of the two elements ensured by **three large in-line rivets** which **guarantee safety and immovability** , furthermore the absence of vibrations transmitted to the handle gives greater comfort of use.
