Services and Technologies for professional catering since 1973

#### PROFESSIONAL DESCRIPTION

**PERFORATED PIZZA STICK in STAINLESS STEEL, EVOLUZIONE line, light, smooth and resistant, complete range :**

- **Stainless steel head and handle .**
- **Lightweight and resistant** , available only in the perforated version with fine, diffused slots that reduce weight and reduce friction.
- **The perforation design** reflects the lines of the blade of the same line.
- **The stainless steel reduces the heat transmittance of the oven** , while the bottom of the handle and the intermediate sliding grip are made of high density polymer, highly resistant to shock and heat.

**CE MARK  
MADE IN ITALY**
