PROFESSIONAL DESCRIPTION

PERFORATED PIZZA STICK in STAINLESS STEEL, EVOLUZIONE line, light, smooth and resistant, complete range:

- Stainless steel head and handle .
- **Lightweight and resistant** , available only in the perforated version with fine, diffused slots that reduce weight and reduce friction.
- The perforation design reflects the lines of the blade of the same line.
- The stainless steel reduces the heat transmittance of the oven , while the bottom of the handle and the intermediate sliding grip are made of high density polymer, highly resistant to shock and heat.
