Services and Technologies for professional catering since 1973

PROFESSIONAL DESCRIPTION

PERFORATED PIZZA STICK in STAINLESS STEEL, AZZURRA line, light, smooth and resistant, complete range :

- **Turning and baking paddle entirely made of stainless steel** avoids heat transmission from the oven.
- **The bottom of the handle and the sliding intermediate handle are made of a special high-density polymer** , highly resistant to impacts and heat.
- **The sliding element also fits onto the bottom of the handle** so that the small peel stacked with the head downwards can immediately be gripped correctly.
- **Highly resistant stainless steel**
- **Robust and lightweight**

**CE MARK
MADE IN ITALY**
