depth (mm)	286
height (mm)	470

PROFESSIONAL DESCRIPTION

HAMILTON BEACH BLENDER with 2-litre polycarbonate jug, HIGH PERFORMANCE and QUIET BLEND versions :

- equipped with a **soundproof bell** with sensor to eliminate annoying noises during cocktail making (**Quiet Blend version**);
- **Wave Action system** continuously pushes the mixture down towards the blades for better homogeneity, unlike normal blenders that push the ingredients against the sides of the container leaving some parts intact away from the blades;
- **touchpad controls with 5 programmable buttons** ;
- cycle programming via memory card;
- it has a 3 HP engine;
- **2 litre stackable graduated transparent polycarbonate glass** ;
- **Overheat protection** , Blender warns the operator before the motor overheats to train against improper use. Blender features a cool-down cycle to quickly reduce motor temperatures and resume normal operation;
- equipped with **stainless steel blades** and **Wave Action system** that guarantees a **continuous and constant mix** , for lump-free, perfectly blended drinks.
