Services and Technologies for professional catering since 1973

PROFESSIONAL DESCRIPTION

LYON PAN , HEAVY , in IRON with 1 HANDLE , complete line with diam. from 20 to 50 cm .

- **Iron is excellent for cooking over very high heat because, not having a high capacity to transmit heat, it avoids sudden changes in temperature.**
- Being a non-stick material, it prevents food from sticking.
- It can withstand very high temperatures and improves its performance over time.
- Iron containers are best suited for frying, omelettes or thin crepes.
- **The black iron pan should be washed with water as little as possible and always kept greased .**

CE mark
Made in ITALY
