

#### PROFESSIONAL DESCRIPTION

**Gastro-norm pans in very thick stainless steel suitable for vacuum, complete range:**

- they are the **ideal solution** for sauces, legumes, salads, fish, cooked dishes and **for all those products that until now could not be vacuum-packed with normal bags** ;
- the **particular shape of the edges and bottom** and the **great thickness of the steel** make it **solid** and **long-lasting** ;
- the **polycarbonate lid** , thanks to the particular rib, **resists external pressures** and allows you to **easily identify the product inside the tray** ;
- **simple and safe valve** both at the moment of vacuum and at the moment of opening.
- **CE mark**
- **MADE IN ITALY**
