PROFESSIONAL DESCRIPTION

WALL FRIGOR DISPLAY UNIT for CURED MEATS and CHEESES, VULCANO line, 60 cm DEEP, 1580 mm LONG, available WITH and WITHOUT REFRIGERANT GROUP, in standard RAL colours, TECNODOM brand:

- PLUG-IN vertical refrigerated display, compact, suitable for displaying and preserving fresh and pre-packaged products;
- **ecological , reliable , hygienic , suitable for all sales surfaces ;**
- designed with particular attention aimed at **ease of installation** and **optimization of the cleaning system** , guaranteed by easy access to the internal parts;
- the products on display are always kept at **an ideal temperature** , thanks to the flow of refrigerated air and a well-sized refrigeration system;
- VULCANO is a product with **low energy consumption** and **low environmental impact** : the tank is made without the use of CFCs;
- **made of sheet metal painted in standard RAL colours ;**
- **compact** but **with a large exhibition surface: 2.35 m² ;**
- suitable for small, medium and large distribution;
- all phases, from design to production, have been taken care of in detail: **Made in Italy technology and design ;**
- possibility of customization on request;
- **ventilated refrigeration ;**
- **operating temperature +3°/+5°C ;**
- climate class: 3 (ambient temperature +25°C, relative humidity 60%);
- **thermoformed and insulated shoulders** (40 mm thick each), with **tempered glass side ;**
- **electronic control panel ;**
- **defrost at stop ;**
- **upper neon lighting ;**
- power absorbed lights n°xKw: 1x58;
- manual self-retracting night curtain;
- **4 shelves in non-toxic white post-painted sheet metal** or in **stainless steel** (for stainless steel version), **adjustable in height** , equipped with price holder, without lighting, without product holding grids;

◦ **AVAILABLE VERSIONS:**

1. **set up with finishing in the standard RAL colours** : blue, green, orange, yellow, red, black and white;
 2. **setup with stainless steel finish** (Optional);
 3. **version with built-in refrigeration unit** (equipped with a condensation water recovery and evaporation system, via stainless steel coil);
 4. **version with provision for remote refrigeration unit ;**
- R404A/R507 valve both in the version with and without refrigeration unit;
 - **available in 7 different RAL colors to specify when ordering** : **Blue** (RAL 5013), **Green** (RAL 6026), **Orange** (RAL 2008), **Yellow** (RAL 1018), **Red** (RAL 3020), **Black** (RAL 9005), **White** (RAL 9010).
