PROFESSIONAL DESCRIPTION

WALL FRIGOR DISPLAY FOR FRUIT and VEGETABLES, VULCANO 80 line, 764 mm DEEP, 1480 mm LONG, available WITH and WITHOUT REFRIGERATING UNIT, in standard RAL colours, TECNODOM brand:

- PLUG-IN vertical refrigerated display, compact, suitable for displaying and preserving fresh and pre-packaged products;
 - **ecological , reliable , hygienic , suitable for all sales surfaces ;**
 - designed with particular attention aimed at **ease of installation** and **optimization of the cleaning system** , guaranteed by easy access to the internal parts;
 - the products on display are always kept at an **ideal temperature** , thanks to the refrigerated air flow and a well-sized refrigeration system;
 - VULCANO is a product with **low energy consumption** and **low environmental impact** : the tank is made without the use of CFCs;
 - **made of sheet metal painted in standard RAL colours ;**
 - compact but with a large exhibition surface: 2.30 m²;
 - suitable for small, medium and large distribution;
 - all phases, from design to production, have been taken care of in detail: **Made in Italy technology and design ;**
 - possibility of customization on request;
 - **ventilated refrigeration;**
 - **operating temperature +6°/+8°C ;**
 - climate class: 3 (ambient temperature +25°C, relative humidity 60%);
 - **thermoformed and insulated shoulders** (40 mm thick each), with **tempered glass side ;**
 - **electronic control panel ;**
 - **defrost at stop ;**
 - **upper neon lighting ;**
 - power absorbed lights n°xKw: 1x18;
 - **manual self-retracting night curtain ;**
 - **3 inclined shelves in non-toxic white post-painted sheet metal** or **in stainless steel** (for stainless steel version), equipped with price holder, without lighting, without product holding grids and an upper mirror;
- **AVAILABLE VERSIONS :**
1. **set up with finishing in the standard RAL colours** : blue, green, orange, yellow, red, black and white;
 2. **setup with stainless steel finish** (Optional);
 3. **version with built-in refrigeration unit** (equipped with a condensation water recovery and evaporation system, via stainless steel coil);
 4. **version with provision for remote refrigeration unit ;**
- R404A/R507 valve both in the version with and without refrigeration unit;
 - **available in 7 different RAL colors to specify when ordering** : **Blue** (RAL 5013), **Green** (RAL 6026), **Orange** (RAL 2008), **Yellow** (RAL 1018), **Red** (RAL 3020), **Black** (RAL 9005), **White** (RAL 9010).
