CODE	DESCRIPTION	PRICE/DELIVERY
CUPZF/35DS	CUPPONE hot pizza forming machine with 350 mm discs, V.400 / 3 + N, Kw 4.2, Weight 147 Kg, dim. mm.500x610x770h	**€ 4.600,89** *VAT escluded* **Shipping to be calculed** **Delivery** from 4 to 9 days

PROFESSIONAL DESCRIPTION

PIZZA MOLDING MACHINES for forming pizza dough discs with a diameter of 350 mm:

○ **stainless steel construction** ,

○ **the high hourly production** , without the use of specialized labor;

○ the **perfect uniformity of shape** and thickness of the disc of pasta without renouncing the **traditional edge,** obtained thanks to the special conformation of the chromed plates;

○ the possibility of **easily varying the thickness of the dough disks** ;

○ the creation, thanks to the action of **the electronically controlled temperature of the dishes** , of a thin solid layer of starch gel on the outside of the dough, which allows, by retaining the gases, to obtain a perfect cooking of the pizza also inside.

○ this equipment, built entirely in stainless steel, is equipped with all the **safety devices** required by international standards;

○ **pizza diameter: 350 mm;**

○ worktop height: 550 mm;

○ maximum absorption: Kw.4,2;

○ average consumption: Kw 2,9;

○ on request available V.230 / 1 Single-phase or V.230 / 3 Three-phase.

.
