

#### PROFESSIONAL DESCRIPTION

**Arthur Krupp's professionalism and the refinement of fine bone china** combined in a fresh and candid collection.

Neve owes its elegant purity to the simplicity and softness of its lines, in balance between the wide layers of plates and cups and the roundness of the assorted cafeteria.

The quality, transparency and thickness of the items combine to enhance the culinary preparations of demanding chefs and to distinguish buffets for **elegance** and practicality, thanks also to the **stackability** of their pieces.

**Made in Germany**

**All PRICES are UNITS ... for 1 PIECE**

**Each item can be purchased individually.**
