

PROFESSIONAL DESCRIPTION

Soft and sinuous in shape but strong and extremely functional.

The Uovo collection proposed by Arthur Krupp Porcelain finds its maximum formal expression not only in the line of cafeteria that inspired its name but, and above all, in the large gourmet dish whose conformation is able to enhance any culinary preparation.

Elegant and at the same time resistant thanks to the reinforced edges , Uovo is perfect for white mise en place and versatile contemporary buffets.

Thanks to the stackability of the cups with the saucers and the rich extension of cups and bowls Arthur Krupp Porcelain adds new proposals and a new mood to its range of **Made in Germany** porcelains .
