Services and Technologies for professional catering since 1973

**PROFESSIONAL DESCRIPTION**

QUADRO WINE REFRIGERATED DISPLAY, with 4 BOTTLES, Temp. +12°/+18°C :

- **Design and technology come together** to create the first refrigerated cabinet ever made in the world. **An absolutely innovative object , with a refined design, capable of making any environment in which it is inserted special ;**
- **The Quadro Vino n.40 allows you to display 4 bottles and keep them at the right serving temperature .**
- On this model it is **possible to choose the option of vertical display of the bottles**, ideal for a service by the glass;
- **The internal temperature varies from +12° to +18 °C** according to the ambient temperature;
- It allows you to store and serve different wines at the right temperature;
- **Refrigeration is obtained by means of a silent ventilated thermoelectric system controlled by an electronic thermoregulator** through which it is possible to set and display the temperature;
- **Ecological refrigeration system** free of polluting gases and built with recyclable materials;
- The replacement of components is simple and always makes the repair of the product convenient;
- The **minimum depth and wall installation** allow it to be inserted even in very small spaces;
- **It finds easy insertion in the restaurant and in the hotel but also in the private residences .**

TECHNICAL FEATURES

- Metal structure
- Aluminum door structure
- Wooden / HPL / MDF frame
- Double glazing 20 mm
- Magnetic seal
- Painted steel/eco-leather internal panel
- LED Lighting.. Blue or Natural White
- Thermoelectric cooling system
- Automatic defrosting
- Ventilated refrigeration
- Anti-vibration system
- Temperature +12°/+18°C
- Capacity: 4 bottles 0.75 lt
- Bottle: H 400 Ø 90
- Dimensions mm. 780x780x155h

It is also possible to compose the product by choosing from these variants

- **Dune unpainted D01** ;
- **Classical** : Classical matte white CRAL9010, Classical matte black CRAL9005.

LED LIGHT COLOR :

- **Standard** : natural white LED
- **Optional** : blue LED

VERTICAL BOTTLES PREPARATION

- On this model it is possible to choose the option of vertical display of the bottles, ideal for a service by the glass. During the final phase of construction the bottle holder rods are removed and replaced with special caps so that it is always possible to restore the standard set-up with horizontal bottles. With this solution the Quadro Vino can also be used for service by the glass as it is also possible to insert and keep already opened bottles at the right temperature .

NB : The RAL colors are made on MDF support with a 20 gloss matt finish (100 gloss finish on request).
