Services and Technologies for professional catering since 1973

PROFESSIONAL DESCRIPTION

UGOLINI - TABLE GRANITORE with 1 TANK of lt.2,8, for the production of slushes, sorbets, cold creams, ICON Line:

The brand new **ICON** with an eclectic character and elegant style is designed to accommodate your graphics in a natural and harmonious way, thus creating a **unique product** that will stand out, giving even more strength to your brand and your business. In the version with Recover, the ICON can be enriched with a graphic panel that will make the container partially "no-visual". The unique and modern style combined with its **extremely small size** make it possible to fit it into any environment.

Excellent for the preparation of cold creams, sorbets and slushes, it is designed with a **2.8 liter container** that allows you to **manage small quantities of product avoiding unnecessary waste**.

- **Copolyester tank** (BPA - Free), with a capacity of **2.8 liters**
- **Painted steel body**
- Hermetic compressor
- Air cooled condenser
- **Electronic temperature control**
- Recovery Energy System, for **energy saving and anti-condensation**
- Motor protector
- Air filter
- Noise level below 70 dB (A)
- **Removable transparent containers**
- Ecological **GAS R134a**
- Available voltages: 230V 50Hz | 115V 60Hz | 208-220V 60Hz | 100V 50 / 60Hz

Optional:

- Graphics for no visual version (quotation on request)
- Advertising palette
- In Black Color On request
