#### PROFESSIONAL DESCRIPTION

Multifunctional refrigerated display trolley in solid wood, capacity **3 Gastro-norm 1/1 trays 100 mm high**, temperature +4°C/+8°C:

#### USED, OPPORTUNITY

- supporting structure in dark walnut colored solid wood;
- tank in AISI 304 stainless steel with drain hole;
- two intermediate support shelves in 10 mm thick tempered glass;
- full-length sliding service shelf made of solid wood;
- closing system made with sliding tempered curved glass;
- static refrigeration system;
- automatic defrosting and evaporation of condensate;
- digital control and display of working temperature;
- lighting on both sides of the trolley.
- for correct operation of the machine, it must be switched off at the end of the service or working day, in order to avoid condensation phenomena and the consequent fall of water on the food;.
