Services and Technologies for professional catering since 1973

PROFESSIONAL DESCRIPTION

STAINLESS STEEL PIZZA HOLDER, Blue Line, light, smooth and resistant, complete range :

- Palettino turns and churns out entirely in stainless steel, avoiding the transmission of the heat of the oven.
- The bottom handle and the intermediate sliding grip are in a special high-density polymer , highly resistant to impact and heat.
- The sliding element also fits into the bottom of the handle so that the peel stacked with the head down can immediately be gripped correctly.
- Highly resistant stainless steel
- Robust and light

**CE MARK
MADE IN ITALY**
