#### PROFESSIONAL DESCRIPTION

**BLENDER, HAMILTON BEACH brand, with 1.4 litre copolyester jug , HIGH PERFORMANCE version :**

- **The powerful 1.6 HP motor combined with the Wave-Action® cup and stainless steel blade crack ice quickly ;**
- With a motor designed to power fresh and frozen ingredients to create smooth drinks and a large jar built to quickly crush ice, the Rio® cuts prep time. **Each jar features the Wave~Action® system , which continuously forces mixture down the blades for ultra-smooth results ;**
- **1.4L Break-Resistant BPA-Free Co-Polyester Jar ;**
- **The patented Wave~Action® system** in the Rio® blender will deliver a smoother margarita;
- **The sensors on the lid and on the base of the glass , if not positioned correctly, prevent the blender from turning on ,** ensuring maximum safety;
- **Simple to use with HIGH, LOW, PULSE functions .**
- **Two speeds plus pulse provide added versatility .** Perfect for a variety of cocktail and bar applications;
- Durable and easy to use, **the gasketed switches guarantee a long life ;**
- Perfect for preparing a variety of different cocktails;
- **Opening sensor** prevents liquid leakage by stopping the engine;
- **Optimized performance with high performance blade ,** Durable **stainless steel design quickly cuts through ice** and other ingredients. Easy 1/4 turn nut makes blade maintenance easy to do, extend the life of your jar.
- **Open lid and jar bearing sensor prevents mixing if the jar or lid is not positioned correctly** for an added level of operator safety.
- **Durable, Sealed Switches with Simple Controls :** Rio® includes sealed switches that protect against moisture ingress and a protective brow to direct drips away from the controls.
- **Durable Metal Drive Coupling:** Provides ample power and torque to the blade. The unit also features a removable jar bearing for easy cleaning.
- **Sure Grip feet ,** which help keep the blender firmly on your counter, preventing slippage;

- Ergonomic handle;
- 2 years warranty.

**CE MARK**  
**MADE IN ITALY**

Potente motore da 1.6 HP e Wave ~ Action\* System

Prestazioni ottimizzate con lama ad alte prestazioni

Coperchio aperto e sensore del cuscinetto del vaso

Interruttori resistenti e sigillati con controlli semplici

Accoppiamento durevole dell'azionamento del metallo

**Sensore di apertura**  
Impedisce la fuoriuscita di liquidi fermando il motore

**Tripla guarnizione**

**Connessione in metallo**  
Offre ampia potenza e coppia alla lama

**Performance ottimizzate**  
Il bicchiere con sezione quadrata ospita più ingredienti, riducendo il tempo di preparazione grazie alla lama monopezzo

Porta continuamente tutto al centro delle lame per un risultato omogeneo

**Impugnatura ergonomica**

**BPA FREE, contenitore in copoliestere**

**Forma protettiva**  
Protegge i pulsanti dalla fuoriuscita di liquido

**Pulsanti sigillati**  
Maggior vita e facilità d'uso

**Led posizionamento bicchiere e coperchio**  
I sensori su coperchio e bicchiere impediscono l'accensione se non sono nella posizione corretta

**Piedini Sure Grip™**  
Impediscono lo slittamento

**Motore 1.5 HP**  
Conferisce ad ingredienti freschi e congelati una consistenza omogenea per ottime bevande
