

PROFESSIONAL DESCRIPTION

1/4 gastro-norm containers (mm 265x162) in polycarbonate, complete range :

- made of polycarbonate, they are ideal for all those storage operations where viewing the product, through graduated scales printed in relief, allows for easy inventory management;
- the perfectly smooth internal surfaces guarantee optimal distribution of the product and maximum ease of cleaning;
- the material used withstands temperature variations which allows use from -40°C to +99°C;
- non-deformable and particularly robust;
- impact resistant and dishwasher safe;
- perfectly interchangeable with stainless steel trays.
