Services and Technologies for professional catering since 1973

PROFESSIONAL DESCRIPTION

Hot drinks dispenser working with water-soluble (freeze-dried) products with two selections :

- **working automatically with soluble freeze-dried products** in hot water, such as barley, ginseng coffee, herbal teas, chocolate and more;
- Conceived in an innovative way, **it takes up little space and is attractive attention** wherever it is.
- **It can be accompanied by a series of options** that will enhance the appearance that best suits individual needs, creating an aesthetic that will make it the protagonist.
- **INSTANT is presented with a basic setup** that can be **enriched with decals, or with backlit images and details** for an even more effective reminder.
- **equipped with 2 1000 cc containers ;**
- Plexiglass tank **capacity 4.5 litres ;**
- **Display with clear and complete operating indications** and **capacitive keys**
- Electronic **soluble and water dosing control system** for use in small or large cups
- **Maximum hygiene** guaranteed by the **simplicity of disassembly** of the components subject to cleaning and the use of materials suitable for contact with foods
- **Rinse cycle for washing mixers**
- Noise level **less than 70dB (A)**
- **OPTIONALS:**
- management via smart card
