PROFESSIONAL DESCRIPTION

PERFORATED PIZZA PEEK in STAINLESS STEEL, NEAPOLITAN line, light, smooth and resistant, complete range :

- **palettino from the Neapolitan line has been designed to meet the needs of pizza makers who make pizza according to the Neapolitan style**, therefore in **traditional Neapolitan wood-burning ovens that reach 500 degrees** and churn out a large number of pizzas. Entirely in stainless steel, it has increased thickness and optimized to resist high temperatures and particular holes with a circular design to allow excess flour to drain.
- **The peeler according to the Neapolitan style :**
 - **reinforced head to resist the heat of Neapolitan ovens ;**
 - **entirely in stainless steel ;**
 - **holes with a circular design to allow the flour to drain ;**
 - **personalization of the name of the line made with laser engraving.**

CE MARK
