

PROFESSIONAL DESCRIPTION

LIONESE FRYING PAN , HEAVY , in IRON with 1 HANDLE , complete line with diam. from 16 to 45 cm .

- **The iron is excellent for cooking over a very high heat** because, not having a high capacity to transmit heat, it **avoids sudden changes in temperature.**
- Being a **non-stick material**, it avoids attachment to food.
- It bears very high temperatures and improves its performance over time.
- **the iron containers are the most suitable for frying, omelettes or thin crepes.**
- **The black iron pan should be washed with as little water as possible and always kept greasy .**
- .
- **CE mark**
- **Made in Italy**
